

Name _____

Family Ties and Traditions

Open-Ended Response Answer Key

1. Abuela Carmen's traditional values included cherishing family gatherings, cooking traditional meals, and celebrating cultural festivals like Dia de los Muertos. These traditions were important to her because they connected her to her heritage and ancestors. They represented a way of preserving their culture and passing it down to the younger generations.
2. Maria tried to bridge the gap between tradition and modernity by understanding and valuing both her mother's heritage and her children's desire for independence and change. She attempted to find common ground and create a space where the family could honor their roots while embracing new traditions.
3. The family decided to address the clash of traditional and modern values by merging old and new traditions. They started incorporating elements of Dia de los Muertos into their modern lives, using social media to share memories and stories about their ancestors. This compromise allowed them to preserve their heritage while adapting to changing times.
4. The intergenerational drama taught the family the value of compromise, open communication, and the importance of preserving their heritage while embracing change. They learned that traditions could evolve and adapt without losing their essence. The experience brought the family closer together and strengthened their bonds.
5. Abuela Carmen's traditions continued as the family found a way to merge old and new traditions. They incorporated elements of Dia de los Muertos into their lives while using modern tools like social media to share their heritage with others. The traditions remained a symbol of their cultural identity and the importance of family.
