The Quest for the Wishing Bracelet

Open-Ended Response Answer Key

1. Lily was caring and optimistic, Jake was adventurous and determined, Mia was thoughtful and wise, and Ethan was kind and compassionate. These qualities helped them overcome challenges and work together effectively.
2. The wishes were granted because they represented qualities that the friends already possessed and valued within each other. The Wishing Bracelet recognized and amplified these qualities.
3. The warm glow symbolized the positive energy and love they had shared throughout their journey. It represented the magic of their bond and the fulfillment of their wishes.
4. Answers will vary. Possible responses could include wishing for good health, world peace, or the happiness of loved ones, depending on personal values and priorities.
