## The Magician's Time-Traveling Mishap

### Open-Ended Response Answer Key

1. Answers may vary. Possible responses could include attempting to find a magical mentor in the past, exploring different magical spells or enchantments, or seeking assistance from historical figures.
2. Emma's knowledge could have provided Columbus and his crew with advanced navigation techniques, improved living conditions, and a deeper understanding of the world. However, it might also have altered history significantly.
3. Emma developed qualities such as adaptability, resourcefulness, and the ability to connect with others. These skills could be useful in solving problems and overcoming challenges in her own time.
4. Answers may vary. Possible choices could include visiting ancient civilizations like Egypt or Rome, witnessing significant historical events like the moon landing or the signing of important treaties, or meeting famous historical figures to learn from their wisdom and experiences.
