

Name _____

Stellar Dreams: The Journey of Captain Jamal Robinson

Short Answer Key

1. Dr. Zoe Peterson, a brilliant scientist, helped Jamal prepare for his space mission by providing training, guidance, and scientific knowledge.
2. Commander Yuri Ivanov's sense of humor helped lighten the mood and build camaraderie among the international crew members.
3. Jamal discovered that Zog was a friendly extraterrestrial who was curious about Earth and its inhabitants.
4. Astro the Space Dog was a special companion for Jamal because he provided companionship and comfort during the challenging moments of the mission.
