

Name _____

The Wizard Teacher's Magical Classroom

Short Answer

1. What happened when Sarah accidentally summoned a pixie in the classroom, and how did Professor Merlin handle it?
2. What did Professor Merlin teach his students about magical creatures, and why was it important?
3. Describe the encounter the students had with misbehaving magical creatures in the magical forest, and how did Professor Merlin resolve the situation?
4. How did the students feel when they discovered Professor Merlin's true identity as a wizard, and what did he give them on the last day of school?
5. What were some of the lessons the students learned from Professor Merlin throughout the school year?
