

# Evaluating Evidence

Relevant to making and evaluating an argument, what is **evidence**?

---

---

---

Should a reader be able to argue against evidence? \_\_\_\_\_

Identify the strongest evidence from the argument in the text you read.  
Write it down.

---

---

---

What is the nature of this evidence?

---

---

Can you argue with it? Why or why not?

---

---

Is this evidence believable?
