

# Concluding Sentences

A concluding sentence brings an entire paragraph to a close. It tells the reader your final thoughts on the topic and sums up your key points. A concluding sentence should begin with a transition word or phrase which lets the reader know that the conclusion is coming. Common transition words that signal the conclusion is coming include:

consequently

in conclusion

therefore

finally

to summarize

in summary

in conclusion

to sum up

ultimately

thus

as a result

therefore

**DIRECTIONS:** Write a concluding sentence for your paragraph using a transition words that signals the end of the paragraph is coming.
