The Farm Visit

Last week, Anna and her brother, Mike, went to visit their grandpa's farm. They had so much fun seeing all the animals and helping with the chores.

First, they fed the ducks by the pond. The ducks quacked and ate the food quickly. Next, they went to see the cows in the big barn. Grandpa showed them how to milk a cow. Mike was a little scared at first, but he soon learned how to do it.

Then, Anna and Mike helped pick some fresh vegetables from the garden. They picked carrots, beans, and peas. Grandpa said they could take some home for dinner.

After that, they rode on a big red tractor. Grandpa drove them around the farm, and they saw sheep, pigs, and a horse. Anna loved the horse the most because it was so gentle.

At the end of the day, Anna and Mike were tired but happy. They hugged Grandpa and promised to come back to the farm soon.
