## Playground Champion

Tommy was the champion of the playground. He climbed the tallest tree with incredible speed. Everyone

watched as he balanced on the monkey bars.

During recess, Tommy organized games for all the kids.

His favorite game was kickball, and he always kicked the ball the farthest. One day, a new girl named Abby

joined the playground fun. She showed an impressive ability to jump rope. Tommy and Abby quickly became friends, and together they formed an unbeatable team.

The children gathered around, cheering for their amazing tricks. Every afternoon, they ended their play with a happy cheer, celebrating another fun-filled day.
