A Day with Jay and Ray

Jay and Ray are two happy blue jays. Every day, they fly and play in the sunny sky. Today, Jay and Ray decided to go on a special adventure.

"Let's fly to the bay," said Jay.

"Okay! I can't wait," said Ray.

They flew over tall trees and green fields. On their way, they saw a gray cat laying on the hay. The cat waved its paw and said, "Have a good day, Jay and Ray!"

Jay and Ray chirped back and flew faster. When they reached the bay, they saw many other birds. Some were big, and some were small. Jay and Ray played all day with their new friends. They flew in loops and had a lot of fun.

When the sun began to set, Jay said, "We should go back home now."

Ray agreed, "Yes, but we had such a great day!"

Jay and Ray flew back to their nest and lay down to rest. They dreamed of more adventures for another day.
