## Earth Day Adventure: Guardians of Nature

### Open-Ended Response Questions

1. Why do you think the Nature Guardians needed the children's help to protect the environment?
2. How did the children's actions on Earth Day impact their town and the environment?
3. Can you relate the story to any real-life efforts to protect the environment? If so, explain how.
4. What can you do in your own life to help protect the environment, just like the children in the story?
