

Name _____

The Harmony Machine

Short Answer Key

1. Kaya was inspired to create the Harmony Machine to restore the natural balance and harmony of their ancestral lands, which were suffering from pollution and environmental imbalances.
2. Elder Tika played a crucial role in Kaya's journey by providing guidance, wisdom, and blessings for the use of the Harmony Machine. Their support helped Kaya gain the tribe's approval and ensured the success of the invention.
3. The Harmony Machine benefited the ancestral lands of the Nuu-chah-nulth tribe by cleansing the land, purifying the waters, and rejuvenating the forests. It restored balance and harmony to the environment, ensuring the well-being of both the tribe and the land.
4. The story conveys the message that humans have a responsibility to protect and care for the environment, as it is an integral part of their culture and identity. It highlights the potential for innovation and technology to help address environmental challenges and emphasizes the importance of being stewards of the earth.
5. Kaya's invention inspired other young members of the tribe by demonstrating how innovation and determination could significantly contribute to the well-being of their people and the health of their ancestral lands.
