The Groundhog Guardians: Defenders of Earth

Open-Ended Response Answer Key

1. Encourage students to provide examples and discuss how unconventional heroes can add depth and uniqueness to a story.
2. Encourage students to think of historical or current events where international collaboration has played a crucial role, such as in addressing global challenges like climate change or pandemics.
3. Students can use their imagination to speculate on how the bond between the two species might continue to grow and what future challenges or adventures they might encounter.
4. Encourage students to think about their own strengths and the strengths of their friends and how they could be applied in a teamwork scenario to address a unique threat.
