

Name _____

Journey to Equality

Open-Ended Response Answer Key

1. Lily was inspired by Martin Luther King Jr.'s message because she saw that peaceful protest and love had the power to bring about positive change without causing harm or violence.
2. The Civil Rights movement changed laws and society in the United States by advocating for and achieving legislation that ended segregation and promoted equal rights for all citizens, regardless of their race.
3. Answers may vary, but examples could include standing up against bullying, advocating for environmental protection, or supporting a charity or cause they are passionate about.
4. Individuals can make a difference in important social issues today by educating themselves, speaking out against injustice, volunteering, supporting organizations that work for change, and promoting positive values of equality and inclusivity.
