

Name _____

Jimmy Carter: The Peanut Farmer Turned President

Short Answer Key

1. He grew up working on his family's peanut farm and served as a naval officer.
2. The Camp David Accords were a successful negotiation for peace between Egypt and Israel, bringing stability to the region.
3. He faced high inflation, unemployment, and energy shortages, which led to declining public approval ratings.
4. He signed the National Energy Act into law, which aimed to reduce the country's reliance on foreign oil by promoting energy conservation and renewable energy sources.
