## Magic and Mischief

### Open-Ended Response Answer Key

1. Answers may vary. Some students might say humor makes adventure stories more enjoyable, while others may argue that adventure can be exciting without jokes.
2. Without humor, the book might feel too serious and dark, making it less fun to read.
3. Students should describe a personal experience where humor helped them in a difficult situation.
4. Fred and George may enjoy making people laugh because humor helps people feel happy, even in hard times. Some students may say humor is a great way to handle stress.
