## Environmental Warnings

### Open-Ended Response Answer Key

1. The story shows how cutting down too many trees, polluting the air, and destroying animal homes can harm nature. It encourages people to take better care of the planet.
2. Some businesses care more about money, while others try to protect nature. Companies that use renewable energy and plant trees are helping the environment, but many still cause pollution.
3. People can help by planting trees, reducing pollution, recycling, and supporting companies that protect the environment.
4. If I had the last Truffula seed, I would plant it in a safe place and make sure people didn't cut it down. I would also plant more seeds to bring back the forest.
