

Name _____

Whiskers' Springtime Quest

Open-Ended Response Answer Key

1. Possible answers: Whiskers' curiosity and the allure of new scents motivated her to go on an adventure, despite having a comfortable home.
2. Possible answers: Whiskers' adventure likely gave her a greater appreciation for the scents and experiences of Springtime, making her more curious about the world outside her home.
3. Possible answers: Whiskers likely returned home because she realized that her cozy home was a safe and comfortable place, and she could enjoy Springtime scents from there.
4. Possible answers: Whiskers' adventure might have strengthened her bond with Lily, as Lily was waiting for her return and likely cared for her well-being.
