## Groundhog's Guiding Wing: A Tale of Friendship and Teamwork

### Open-Ended Response Questions

1. Gracie's forest friends played a crucial role in helping her find the baby bird's nest. Can you think of a time when friends or family members helped you or someone else in a similar way? How did their support make a difference?
2. Gracie learned the importance of kindness and teamwork during her adventure. How do you think these qualities can apply to situations beyond the story? Give examples of real-life situations where kindness and teamwork can make a difference.
3. If you were Gracie's forest friend, how would you have contributed to the mission of finding the baby bird's nest? What skills or knowledge would you offer to help Gracie?
4. How did Gracie feel at the end of her adventure with the baby bird? How do you think the baby bird and its mother felt? Why do you think they felt that way?
