## Dry Truth

### Open-Ended Response Questions

1. If Green Lake had never dried up, how might the story have been different?
2. How does Sachar use nature, like the dried lake and the mountain, to show themes in the story?
3. Do you think the drying up of Green Lake was a form of punishment for the town? Why or why not?
4. How does the dried-up lake compare to a real-world problem, like unfair treatment or environmental damage?
