## Voyage of the Santa Maria

### Open-Ended Response Questions

1. If you were a crew member on the Santa Maria, how do you think you would have felt during the long and uncertain journey? Why?
2. Imagine you are Columbus. What words of encouragement and motivation would you offer to your crew as they faced the challenges of the voyage?
3. What impact do you think the voyage of the Santa Maria had on the course of history, and how might it have influenced future explorations and discoveries?
4. If you were in charge of preparing the crew's provisions for such a long voyage, what items and strategies would you have used to ensure their well-being and survival?
