

Name _____

Harmony in Nature: An Earth Day Celebration

Short Answer Key

1. The grand Earth Day celebration in the story took place in a lush, green valley surrounded by towering mountains and flowing rivers, creating a picturesque and natural setting.
2. Emma, the biologist, displayed exotic insects and plants at her booth, and her passion was preserving biodiversity and educating others about it.
3. Tom, the farmer, encouraged sustainable farming practices, including organic farming methods and responsible use of resources.
4. Sarah, the painter, showcased paintings of landscapes, wildlife, and the changing seasons, drawing inspiration from the beauty of the natural world.
5. Mr. Johnson, a retired park ranger, led the tree-planting ceremony at the Earth Day celebration and emphasized the vital role of trees in preserving the environment.
