

Name _____

The Mystery Moms Society

Short Answer Key

1. The members of the Mystery Moms Society are Sarah, Emily, Lisa, and Maria. They share a common interest in solving mysteries and bringing excitement to their lives.
2. The society solved the mystery of the howling dog, Buster, by discovering that Buster was lonely and needed companionship. They organized playdates for Buster with other neighborhood dogs, which stopped his howling.
3. The society learned from the "Case of the Hidden Treasure" that the importance of community and connecting with their neighborhood's history was a valuable lesson. They found treasure that had been buried by a former resident, connecting them with the neighborhood's past.
4. The Mystery Moms Society continued to meet regularly after solving mysteries because they enjoyed the excitement and adventure of their activities, and it strengthened their bond as friends. They also saw the positive impact of their efforts on the neighborhood.
5. The society's efforts brought smiles and a sense of unity to the neighborhood. They connected with their neighbors, solved problems, and made their community a more enjoyable place to live.
