

Name _____

The Magical Lunchbox

Short Answer Key

1. The lunchbox transformed the cafeteria food into a delicious meal.
2. The catch was that as the lunchbox granted wishes and improved the cafeteria food, it started to lose its magic.
3. The students improved their cafeteria food by starting a school garden and learning to make healthier meals.
4. Alex decided to share the lunchbox's secret with the other students to let them know about the catch and work together on a solution.
5. The students learned that by working together and appreciating what they had, they could transform their cafeteria food into something magical without relying on wishes.
