

Name _____

Sights and Sounds

Short Answer Key

1. The author describes how things look, sound, smell, and feel to help the reader imagine the wilderness.
2. Brian hears birds, twigs snapping, and the splashes of fish, which help him understand his surroundings.
3. He eats the wrong kind of berries, which upset his stomach.
4. He watches how fish move, then uses his hatchet to make a spear and finally catches one.
5. The more Brian listens and observes, the less he fears the unknown and begins to trust nature.
