## Voyage of the Santa Maria

### Short Answer Key

1. The crew members left their homes and families to embark on the voyage in the hope of finding a new trade route to Asia and the potential for riches and glory.
2. One of the greatest challenges was the fear of the unknown as they sailed farther from Europe. It affected them emotionally by causing panic and doubt among some members of the crew.
3. Columbus played a crucial role in maintaining the crew's morale and determination by encouraging them, reminding them of the potential rewards in the East, and using his navigational skills to guide them.
4. The crew reacted with shouts of joy and relief when land was spotted on the horizon. This moment was significant because it signaled the end of their long and uncertain journey and the discovery of the New World.
5. Qualities such as courage, determination, resilience, and the ability to work together as a team were likely important for the crew members of the Santa Maria to overcome their challenges.
