

Name _____

The Magical Lunchbox

Open-Ended Response Answer Key

1. The cafeteria food changed from bland and unappetizing to gourmet meals like pizza, spaghetti, and sushi.
2. The cafeteria staff was happy because they saw the students excited about their lunches, which made their hard work feel appreciated.
3. The story teaches us that by working together and appreciating what we have, we can improve our situations without relying on magical solutions.
4. Answers will vary. Students might choose their favorite meal and explain why they would transform their cafeteria lunch into that particular dish.
