

Name _____

The Lucky Teacher's Dilemma

Short Answer Key

1. Ms. Anderson's life changed after winning the lottery with overwhelming attention, advice from friends and family, and the weight of newfound wealth. She faced the challenges of deciding whether to continue teaching or retire early.
2. Mark advised Ms. Anderson to continue teaching and reflect on what truly made her happy. This advice was important because it encouraged her to prioritize her values and passions.
3. Ms. Anderson decided to continue teaching but with a scholarship fund for her students, reflecting her values of education and helping others.
4. Ms. Anderson used her lottery winnings to create a scholarship fund for her students and donated to various charities and causes, making a positive impact on the world.
5. Ms. Anderson's students admired her even more for her humility and generosity, qualities they saw in her despite her newfound wealth.
