Mouse's Turn

Open-Ended Response Answer Key

1. Answers will vary. Example: "If the mouse took over my school, he would probably turn the cafeteria into a cheese-making factory and make recess last all day!"
2. Some students might say yes because it would be fun and exciting. Others might say no because it would be too crazy to learn anything.
3. Answers will vary. Example: "The boy might feel exhausted but also excited. I think I would enjoy a school day like his for one day, but not all the time!"
4. Answers will vary. Example: "I would add a part where the mouse turns the library into a cheese shop and makes everyone trade books for cheese samples!"
