

Name _____

The Girl Who Saved Christmas

Open-Ended Response Answer Key

1. The elves' demands reflect the importance of fair treatment and better working conditions for employees, which is a real-world issue in labor rights.
2. Holly possessed qualities such as creativity, empathy, and a willingness to help others, making her a valuable helper in saving Christmas.
3. Lessons from the story include the importance of compromise, teamwork, and finding creative solutions to problems.
4. Answers may vary, but possible approaches could include negotiating with the elves, finding ways to improve their working conditions, or involving them in decision-making.
