# Literary Analysis

The first step to writing a literary analysis is to think about what you have read. As yourself:

1. What stuck with you the most about this text?
  
  
  
  
  
  
  
  
  
  
2. Did anything confuse you?
  
  
  
  
  
  
  
  
  
  
3. Did you notice any patterns in the text?
  
  
  
  
  
  
  
  
  
  
4. Were there any contradictions or ironies?

Based on your answers, think of a question about the text that you would like to explore in more detail. This question will form the basis for your literary analysis.
