

Name _____ **Media Literacy**

Media Literacy

Select a media message from any source you have available to you. Study the media source. Then answer the questions.

What is the media message?

Who is responsible for this message?

Who is this media intended for? How do you know?

Does this media contain any assumptions?

What do you need to know that the message doesn't tell you?

Is this message credible?

Do you accept, agree with, or appreciate this message? Explain.
