**DIRECTIONS:** Circle the errors in the passage.

Tigers are the biggest of the wild cars. Most tigers have orange black and white stripes, but they can also be black with tan stripes or white with tan stripes their stripes hide them while they are hunting. Tigers can run up to 40 miles per hour in short bursts. They hunt by sneaking up close and then using running down pray like water buffalo, deer, and wild bore.

I found \_\_\_\_\_ errors.
