

# Simple & Compound Subjects

**DIRECTIONS:** Rewrite each sentence as two sentences that each have a simple subject. Be sure to make your verb agree with your simple subjects.

1. The moon and the stars are visible.
2. The man and the women looked through the telescope.
3. The day and the night were cold.
4. The boy and the girl were excited.
5. The energetic man and the studious woman looked happy.
6. Our trip and our experiment were successes.
