

Name \_\_\_\_\_ **Satire**

# Types of Satire

**DIRECTIONS:** Match each type of satire to its definition. Try to name an example of each type.

1. Often political satire intended to expose flaws, injustices or other problems in a society or group of people. Typically serious in tone.

**Horatian**

**Juvenalian**

**Menippean**

Example: \_\_\_\_\_

2. Writing that targets people's attitudes. It usually focuses on an individual, but it is serious in tone.

**Horatian**

**Juvenalian**

**Menippean**

Example: \_\_\_\_\_

3. Satire aimed at flaws in individuals rather than groups or society. It is often intended for entertainment and is the least serious in tone of the three types.

**Horatian**

**Juvenalian**

**Menippean**

Example: \_\_\_\_\_
