

Name _____ **Tilde**

Tilde

DIRECTIONS: Trace and write the tilde.

Tracing practice lines for the tilde character. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row contains three dotted tilde characters for tracing. The following eight rows each contain three dotted tilde characters for tracing. The final row is empty for independent practice.

Blank handwriting practice lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line, providing space for independent practice of writing the tilde character.
