

Name _____

WHAT DO YOU SEE IN THE PICTURE?

1. Where is the picture?

The picture is set at a beach. There are people swimming in the ocean, playing on the sandy shore, and relaxing under the sun.

2. How many girls are there?

There are four girls in the picture. Two are playing with a ball on the beach, one is sitting on a towel under an umbrella, and one is floating on an inflatable ring in the water.

3. How many boys are there?

There are five boys in the picture. One is swimming in the water, one is riding a boat, one is playing with a ball on the beach, one is surfing, and one is playing in the sand.

4. How's the weather in the picture?

The weather in the picture is sunny and clear. The sun is shining brightly, and there are a few fluffy clouds in the sky, indicating a perfect day for the beach.

5. Do you know how to swim?

This question is personal and can be answered by the individual completing the worksheet. The answer will vary depending on the person's swimming abilities.
