

ANSWERS

Memoir: Tells the story of events or memories from a person's life. Written in first person singular point of view. It is true. Focuses on reflection and emotional connection with the reader.

Autobiography: A book that tells the story of a person's life in first person singular POV; the author is relating their own life story. Focuses on the facts of a life. It is true.

Biography: The story of someone's life written by someone else. It is true. It focuses on the facts of a life. It can be interpretive, since it is not possible to know absolutely the thoughts and feelings of another person.
