

ANSWERS

Modern Tragedy

The protagonist no longer has to be from a wealthy/noble family, they can be an ordinary person.

Includes more diversity.

More than one central character.

protagonist's story goes through multiple realistic settings and a realistic time line.

There may be subplots.

Ancient Tragedy

The elements of ancient tragedy include noble characters who face or struggle against powerful obstacles, a protagonist with a character flaw or who is brought down by the cruelty of fate, a tragic outcome that has widespread consequences.

Greek tragedy would take place in a day or less, with one setting and one story.

Both Modern and Ancient Tragedy

Both explore human emotions

Both include a tragic hero

Both explore moral and ethical dilemmas
