

Name _____

WORD RECOGNITION

Look at the words and the shapes below. Draw a line to match each shape name with its picture.

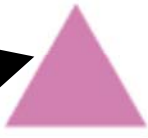

Rectangle

Circle

Square

Star

Triangle

The image shows a matching exercise. On the left, the words 'Rectangle', 'Circle', 'Square', 'Star', and 'Triangle' are listed vertically. On the right, there are five colored shapes: a yellow square, a red square, a purple star, a pink triangle, and an orange circle. Black arrows connect the words to the shapes: 'Rectangle' points to the red square, 'Circle' points to the orange circle, 'Square' points to the yellow square, 'Star' points to the purple star, and 'Triangle' points to the pink triangle.
