

Name _____

The Cloverleaf Chronicles

Open-Ended Response Answer Key

1. The four unique powers were invisibility, talking to animals, controlling the weather, and understanding any language. They used these powers to solve mysteries, help creatures in need, and become heroes of Greenridge.
2. The friends combined their powers and worked together to gather information, protect the town, and ultimately defeat the storm. Their unity and teamwork made their individual powers even stronger.
3. One possible answer is that they learned the value of teamwork and that by working together, they could overcome even the most significant challenges.
4. Answers may vary, but students can describe their chosen power and how they would use it for good or fun adventures.
