

Name _____

The Hundredth Day Hurry-Up Machine

Short Answer Key

1. Timmy was inspired by a brainstorming session with his cat, Whiskers.
2. The initial consequences included missing important lessons, fun projects, and special moments with friends.
3. Timmy and his friends restored the missing school days by tinkering with and rewiring the machine to bring them back one by one.
4. Timmy learned the importance of patience and that some things couldn't be rushed.
5. After the events of the story, Timmy used his inventing skills for good, creating gadgets that made everyone's lives easier and more fun.
