

Name _____

The Enchanted Halloween Game

Open-Ended Response Answer Key

1. Initially, the kids might have felt surprised and maybe a little scared. As they went on their adventure and faced challenges together, their feelings could have evolved to excitement, determination, and eventually a sense of accomplishment.
2. The Pumpkin King guided the kids through challenges and rewarded them with magical pumpkin charms as a way to help them return to the real world. He likely rewarded them for their bravery, cleverness, and perseverance.
3. The kids will likely remember the excitement, challenges, and unexpected adventures they experienced while playing the game. They may also cherish the memories of their teamwork and the friendships they strengthened during their journey.
4. Answers may vary, but some challenges could include solving riddles, escaping traps, or outsmarting tricky creatures. Overcoming these challenges might require using logic, creativity, and teamwork.
