## Folktale Magic

### Open-Ended Response Answer Key

(Answers may vary; examples provided.)

1. A skunk might be funny because the other animals would try to avoid the smell.
2. Students may mention stories like The Three Little Pigs or Goldilocks and the Three Bears and compare their patterns to The Mitten.
3. Some may argue folktales teach important lessons, while others may say new stories are more relevant today.
4. The stretched mitten could symbolize how small things can handle more than expected or how sharing can push things to their limits.
