

Name _____

Apple Picking Surprises

Short Answer

1. What is the Smith family's autumn tradition, and how did they prepare for it on the day of the story?
2. What caught Lily's attention in the orchard, and what did she notice about the tree she pointed out to her father?
3. Describe the apples they found on the lavender tree and the unique characteristics of those apples.
4. What other surprising discoveries did the Smith family make in the orchard, and how did these discoveries add to their adventure?
5. How did the Smiths feel about their apple picking excursion by the end of the story, and what made it a memorable experience?
