

Following Directions

DIRECTIONS: Follow the directions.

1. Write the number one in the top lefthand puzzle piece.
2. Color the top righthand puzzle piece yellow.
3. Write an addition problem to describe the puzzle.

4. Don't solve the math problem. Instead, on the line, say what picture is on a puzzle you have done.

$2 + 3 =$ _____

5. Instead of solving the math problem, color the bottom puzzle pieces red and pink.

$7 - 1 =$ _____
