## Alliteration

# Alliteration

Alliteration is purposefully repeating letter sounds in words that are close to each other in a sentence. The repeated sound is often at the beginning of each word, but it does not have to be. The alliteration is underlined in the example below.

Zelda's zebra's are amazing.

Add an adjective to each noun to create an alliterative phrase.

- |                    |                    |
