

Name _____

Earth Day Adventure: Guardians of Nature

Short Answer Key

1. The Nature Guardians represented the elements of nature: Earth, Water, Air, and Fire.
2. The children helped the Nature Guardians by cleaning up trash, planting trees, and recycling.
3. The Nature Guardians gave the children a special gift, which was a small seed that could grow into a magnificent tree.
4. The children planted the magical seeds and watched as trees sprouted instantly.
5. Answers may vary but should reflect an understanding of the importance of protecting the environment and caring for nature.
