## The King Cake Caper

### Short Answer Key

1. Emily found the treasure map inside a piece of parchment paper while eating King Cake.
2. The clue in the French Quarter mentioned seeking the first piece of treasure where "the jazz fills the air."
3. In the cemetery, they found a riddle on a tombstone, not a physical object.
4. The final destination of their adventure was back at Mardi Gras World, by the parade stand.
5. The ultimate treasure they found was a rare and exquisite King Cake that sparkled with gold and gems.
