## The Creation Curse

### Short Answer Key

1. Victor was inspired by his curiosity and a desire to understand the mysteries of life.
2. He felt fear and regret, realizing that his creation was not what he had imagined.
3. The creature felt lonely because people were afraid of it and ran away.
4. The creature asked Victor why he had created it only to abandon it.
5. Answers may vary, but students should support their response with reasons.
